## Theory and Problem Solving Obedience Seminar July 8<sup>th</sup> and 9<sup>th</sup> 2023

### About the Seminar:

Connie's two-day seminars focus on understanding how dogs learn and clear communication. She is passionate about helping people at all levels of the sport.

The seminar will begin with a discussion on how dogs learn. Then Connie spends time working individually with each team attending. Generally, day one focuses on individuals needing help with how to teach, or having difficulty with attention, heeling, retrieving and recalls. Commonly, on day two, she may cover problem solving difficult exercises such as go-outs, articles, drop on recall, etc.
