presents
Britney Imhof
World Agility Open Gold Medalist
September 13-14, 2025

September 13 – 8:30-Noon -- Agility Foundations - Puppies, Young or Inexperienced Dogs

Start your agility career off right! Britney will evaluate the current training progress of both handlers and their dogs. She will provide guidance on the next steps for improving skills for both parties involved. Training for young or inexperienced dogs will include basic sequences, jumps, and tunnels. Additional equipment will be introduced based on the dog's level of experience.

September 13 1:00 – 4:30pm – Pre Novice and Novice Handling

Skills required for novice and advanced courses will be assessed, and we will provide tailored handling solutions for you and your dog. Proofing skills and addressing any weaknesses in our handling will also be included.

September 14 8:00 – 11:30am Fixing the Holes In Your Handling

We will test the skills needed for advanced courses and find the best solutions for you and your dog. Improving handling, commitment points, agility lines, critical connection points, crosses, and extension vs collection are key topics that will be discussed in order to advance as a team.

September 14 12:30- 4:00pm PREP for Nationals

Prepare for national level or other big events by learning from the 2019 12" National Champion. This seminar will provide an understanding of Nationals competition and potential trends, cover essential handling and mental strategy skills, and equip you for success.

Seminars are held at 719 Manada Bottom Road, Harrisburg, PA. Our facility is fully matted, temperature controlled, handicapped accessible and situated on five fenced acres. There is plenty of parking and exercise space for dogs.
