

Dauphin Dog Training Club Presents Distraction Blitz w/Chris Eicher and Deb Sorosky

Sunday, September 8, 2024 from 6-8 pm

Workshop focused on successfully navigating those pesky distractors (food toys, etc) encountered within containers that a dog may focus on causing false alerts. There will also be distractors in the search areas as seen in AKC scentwork.

**Dogs *MUST* be familiar with multiple odors (birch, anise, clove). Bring lots of delicious treats, a leash at least 10', a hungry pup and an open mind!
Limit of 8-10 working teams.**

This seminar will be held at our training facility located at 719 Manada Bottom Road in East Hanover Twp., Harrisburg, Pennsylvania. It is 70' x 120', fully matted with comfort mats, heated, air-conditioned, handicapped accessible, and situated on five fenced acres. There is plenty of parking and exercise space for dogs.
